

Beach Ambassador Overview

A strategy to increase public wellness, the Beach Ambassador Project aims to effectively communicate Lake Michigan beach conditions while increasing water safety awareness and knowledge among the general public. The Beach Ambassador Project is organized by Milwaukee Community Sailing Center, Milwaukee Riverkeeper, Milwaukee Water Commons, the University of Wisconsin Sea Grant Institute, and local water-safety leaders.

Job Description 2024

The Beach Ambassador Team will engage with Milwaukee residents, primarily beach-goers between Bradford and McKinley Beaches, clearly and effectively educating the public about current or potential beach hazards, strategies and resources to stay safe at the beach. This is a summer/seasonal internship and ambassadors can expect to work 20+ hours per week, afternoons and weekends required. (Approximately 12-15 hours on the beach and 5 - 8 hours per week supporting water safety efforts and the work of the partnering organizations, throughout Milwaukee.)

Essential Duties and Responsibilities

- Actively participate in a 2 day, paid, new-employee training and subsequent employee training, as needed.
- Effectively and personably share water safety resources (ex: apps, websites) and communicate current and potential water conditions and water safety information to beach goers.
- Actively communicate and coordinate with team members, project partners, and Milwaukee County Parks.
- Maintain the Beach Ambassador station and program materials.
- Create and deliver water safety messaging using a range of strategies, both on and off the beach, including but not limited to: educational activities, face to face dialogue, social media, sidewalk chalking, media interviews, and community outreach events.
- Assist with administrative duties to support the overall program including data collection and evaluation.

Qualifications

- 18+ years of age
- Ability to work flexible hours, afternoons and weekends required
- Service-oriented, able to enthusiastically engage the public in focused conversation with targeted communications
- Ability to work outside during a variety of weather conditions and walk several miles per

shift.

- An interest in water safety and social justice is a must
- Ability to interact safely with the public amidst COVID-19, following safety protocols (to be determined by current public health guidelines).

Compensation

\$20 per hour- working 20+ hours per week, from June - early September 2024.
